VALENTINES FUNDRAISER PARTY

Save the Date

Hi everyone - We hope you will lock in the date now and plan to join us for a fundraiser event for Haiti on the evening of Saturday February 13. You know that Haiti

has been hurt especially hard this time and really needs all of our support.

Open Your Heart for Haiti

We are planning an evening of good fun, great music ([Trailer Trash](#), [The Maeflies](#), a Haitian band and maybe more), auction items, beer and wine. The event will be held at **Old Arizona** ([Directions at www.oldarizona.com](#)), a very cool theatre at Nicollet Avenue and 29th Street S. in Minneapolis. This will be a great way to open up your hearts for the people of Haiti and to have a great time with great friends. All proceeds will go to Haiti Outreach to support recovery efforts already underway and in the future.

About Haiti Outreach

Haiti Outreach is a locally supported non-profit organization that has been working in Haiti for the past 12 years to help build

schools, water systems, microloan programs and other projects that are initiated and maintained by Haitian communities and supported by Haiti Outreach. You can find info about Haiti Outreach at www.haitioutreach.org

Trailer Trash

This is an excellent way for us all to come together at this crucial time and make a difference to improve conditions in Haiti. We think this may just be the best Valentines party ever! So please lock in the date, forward this on to your friends and if you could email back to let us know you'll be coming we would really appreciate that.

The Maeflies

If you would like to help with the event or make a donation to the auction please send me an email or call. Thanks and stay tuned!
