## Wine and Chocolate!

*A unique pairing of fine wines and fine chocolates to support a new school for the children of Haiti, administered by **Haiti Outreach***

**February 12<sup>th</sup>, 2010 7:30 PM SHARP**

### What is it?

The Minneapolis Uptown Rotary Club is hosting a wine and chocolate tasting event. Proceeds will go directly to building a public secondary school for the children of the town of La Victoire in Haiti, who currently have none.

### Where and When is the Event?

The event will be held in the main ballroom of the Minikahda Club in Minneapolis, on **February 12<sup>th</sup> from 7:30 – 9:30 PM**. The tasting will be conducted by Nicholas Livingston of [Artisan Vineyards](#) and David Merrill of Merrill Foods.

### What is the cause?

Haiti Outreach provides sustainable water and educational improvements throughout rural Haiti. Haiti is one of the most impoverished countries in the world, and Haiti Outreach works to build infrastructure and locally-supported programs that create long-term improvements in hygiene and education. Haiti Outreach is currently working to build a new secondary school in La Victoire, and this is the first of many steps that will be taken by local Rotary Clubs to raise over \$50,000 to fund the project.

### What is the goal?

Minneapolis Uptown Rotary hopes to raise \$5,000 through this event.
