Hi [name],

I'm reaching out because I'm inspired by the work of [Haiti Outreach](#) and want to support this phenomenal work!

This nonprofit organization works with communities in rural Haiti to bring sustainable access to clean water. Every well that Haiti Outreach drills is built because the community requested it and has promised to care for it for generations. When you give a gift to Haiti Outreach, you are not only giving people the gift of clean water, but an opportunity to strengthen their local community as well!

The more people that know about Haiti Outreach, the greater their impact! Please help us spread the word by sharing our page with your friends and family. You can donate by using clicking on the link to my [Campaign Page](#) \*insert a hyperlink

Will you join me in supporting this important work?

Thank you in advance for your generosity- it means a lot!

Sincerely,
